

Dear Homeowner

We are pleased to share the latest developments at The8 with you and we hope the following information is of interest.

THE8 PROJECT UPDATE - APRIL 2016

Following up from our March newsletter we are pleased to report construction continues at pace.

The project is nearing 30% completion status and we look forward to confirming this significant achievement shortly.

NOC's (No Objection Certificates) are under process for local authority approvals for the 6th and 7th floors and the roof. We will keep you informed of progress in this regard.

Block A Zone A1 main activities include the completion of the 6th floor slab and works for the structural columns and walls are ongoing. Zone A2 5th floor slab, columns and walls are complete and Zone A3 6th floor slab, columns and walls are complete.

Block B Zone B1 main activities include completion of the 3rd floor slab and works are ongoing for the columns and walls. Zone B2 3rd floor slab is complete and works for columns and walls are ongoing. In zone B3 the ground floor slab is complete and works are ongoing for the columns and walls.

Block C Zone C1 main activities include completion of the 1st floor slab and works for columns and walls are ongoing. Zone C2 1st floor slab is complete and works for columns and walls are ongoing. Zone C3 3rd floor columns and walls are complete.

We hope the photos provided further underpin the progress being made at The8.

As always, please do not hesitate to contact IFA Client Relationship Management department at crm@ifahotelsresorts.com should you require any further assistance. Please remember to quote your property reference number in all correspondence and keep us updated should you change your contact details.

For and on behalf of,
